DANCE OF INDIA

KATHAKALI is a major form of classical Indian dance. It is a "story play" , but one distinguished by the elaborately colourful make-up, costumes and face masks that the traditionally male actor-dancers wear.

Kathakali is a Hindu performance art in the Malayalam-speaking southwestern region of Kerala

Kathakali is one of the eight classical dances of India

A Kathakali performance, like all classical dance arts of India, synthesizes music, vocal performers, choreography and hand and facial gestures together to express ideas.

The traditional themes of the Kathakalī are folk stories, religious legends and spiritual ideas.

The vocal performance has traditionally been performed in Sanskritised Malayalam.
