**BIGGEST AND MOST IMPORTANT DAY OF THE YEAR IN NORTH INDIA**

#### **WHY IS DIWALI CELEBRATED?**

- Celebrates new beginnings and the triumph of good over evil and light over darkness.
- Diwali is celebrated on **NEW MOON DAY**, when it's absolute darkness.

#### **WHAT HAPPENS?**

- Houses are lit with candles, colourful lights and firework displays and families share gifts and feast together.
- Therefore, people light lamps and candles to get rid of darkness.
- Celebrate with rangolis, Diya's and worship goddess Lakshmi

#### **HOW LONG IS DIWALI**

- **Five-day Festival of Lights**

#### **WHICH MONTH IS IT CELEBRATED?**

- Celebrated late October /Nov

### **STORY OF DIWALI** - RAMA AND HANUMAN RESCUE SITA FROM HER CAPTOR EVIL RAVANA

- There was a great warrior prince called Rama, who was married to beautiful and strong called princess Sita
- And there was a terrible demon King called Ravavna, he had 20 arms and 10 heads every one frightened of him
- Ravana wanted to marry Sita, so he tricked her pretended to be a wounded deer
- Sita asked Rama to come and help, but he disappeared
- Rama threw magic circle around Sita to protect her
- Ravavna changed shape again and became a thirsty beggar. She gave him water and she stepped out of the magic circle to help him
- Ravana kidnapped Sita
- Rama set off to rescue her
- He met monkey King Hanuman Who helped him to find Sita
- Found her in prison on island Lanka
- He gathered a huge monkey army to rescue Sita
- They built a bridge to get across the water to island
- It was the greatest battle for 10 days
- Rama used the magic arrow given to him by the gods, to kill Ravana
- Rama and Sita were reunited

- All people lit diyas to light Rama and Sita way back home

## EID

### WHAT IS EID/RAMADAN?

- Eid is a Muslim holiday celebrated when Ramadan, the month of fasting, finishes.

### HOW LONG DOES IT LAST?

- Eid lasts three days.
